

Before the FEDERAL COMMUNICATIONS COMMISSION  
Washington, DC 20554

In the Matter of 2002 Biennial Regulatory Review -  
Review of the Commission's Broadcast Ownership Rules  
and Other Rules Adopted Pursuant to Section 202  
of the Telecommunications Act of 1996,  
Notice of Proposed Rulemaking,  
MM Docket No. 02-277, (rel. Sept. 23, 2002)

To: The Secretary, FCC Commissioners, and Chief, Media Bureau

I am writing to you today to comment on Docket No. 02-277, the Biennial Review of the FCC's broadcast media ownership rules.

I believe that the proposed new rules will work against the public interest, and will limit competition and diversity, and particularly will limit the public's rightful access to the airwaves.

Therefore I urge the Commission not to change the current limitations on ownership.

I also urge the Commission to have further hearings in other parts of the country. Please hear all of our voices.

Thank you,

Tony Geballe
